

# **ANNOUNCING... PETITE PREMIERE PERFORMERS ROADSHOW**

Petite Premiere Performers is our performance group for the younger dancers. In the past, our dancers performed in the community for senior groups, retirement communities and nursing homes. Our younger dancers include the following classes: CM 3/4 and 4/5, Tap/Ballet 1, 2, and 3, JBT 1 along with Beginner Ballet 1/2 and 3/4.

All are welcome to participate, **no auditions required**. **What is required:** Practice of the routine(s) at home over the summer, commitment and responsibility; **no costs are involved**. The performances will take place in October, November and December, with a few rehearsals in September and October. This is necessary to keep polished on the routines that were performed in our June concert and to re-stage the routines as necessary, since some dancers may choose not to participate. Interested students/dancers will receive information by **email (preferred)** or through the US mail. **Please help your child retain the dance by practicing with your music. Please keep your costumes neat and clean for our performances. (Make sure you have all the pieces!)**

For the students, this is a wonderful opportunity to give back to the community and share their talents. For the parents, it is an extension of the investment made not only in lessons and costumes, but in the time and support you have given your children.

In addition to the above mentioned locations, the dancers would present a wonderful show for your family's birthday parties, anniversaries, retirement dinners or holiday parties held at a banquet or fire hall, church or school. If you know someone who might be interested, please contact the studio to reserve a show date. The parents/guardians provide their own child's transportation to the facilities.

Some of the venues we have done include the Colonnade in Schwenksville, The Elk's Club in Pottstown, Fredrick Mennonite Community, Walnut Woods, and Spring Valley in Phoenixville.

If your child would like to participate, return the form as soon as possible so we can send detailed information about our performance dates over the summer.

Please email Lynne Eppheimer at [eppiedots@comcast.net](mailto:eppiedots@comcast.net) you would like to participate. We plan to begin in early September.
